

Board is Whole Again

On November 5, 2002, a hearing was held in the Central Facilities Building Conference Room at 1:00 PM that confirmed the nominations of the three trustees to fill in the vacant board seats on the FSM Social Security Board of Trustees. Charles Chieng was re-nominated to be the representative of Yap State and his re-nomination was confirmed. Jack E. Yakana's nomination to be the representative of Pohnpei was also confirmed. The once-vacant at-large seat was once again occupied as the 12th FSM Congress confirmed Nahoy G. Selifis to be the at-large member on the FSM Social Security Board of Trustees. Now that the board is finally full, there is a quorum to conduct business and we congratulate and welcome the newly confirmed FSM Social Security Board of Trustees members.
